

**AMPHITHEATER MEETING**  
**MONDAY, DECEMBER 13, 2010**  
**7:00 P.M.**

The Amphitheater Committee met on the above date and time in the Edward Jones Conference Room, 1905 N. Main Street, Rushville.

Chairman Mike Pavey called the meeting to order. Committee members present were: Charlie and Peggy Stout, Rick Macy, Carla Sharpe, Kim Rathz, Sandy Fussner, Cindy Humphrey, Cain Grocox and Jemmy Miller.

Pavey discussed "Giving Back to the Arts-Scholarship". He feels the recipient should have a major or minor in music. We will give our money to the Rush County Community Foundation and let them disburse the money.

After further discussion, Humphrey made a motion that in 2011 we will dedicate the Corey Cox night to raise money for the "Giving Back to the Arts-Scholarship". Corey is a young artist and we all felt this show would be a good one to start with. C. Stout seconded the motion.

All money raised at this concert will be put into a "Giving Back to the Arts-Scholarship" fund through the Rush County Community Foundation.

Pavey also suggested job shadowing at our concerts such as sound checks, setup, back stage etc. Several of the committee members will talk to those who have an interest in music through the school to see if this is possible.

Once enough money has been raised through designated concerts a scholarship will be announced and disbursed through the Rush County Community Foundation.

Pavey announced the "End of Year" Sponsor article will run at Christmas.

Pavey shared with the group the only construction next year will be to fix the one frame and surround the dumpster.

The group felt that window clings for 2011 Sponsors would be a good thing. They will be cheap and a good way to honor our Sponsors. These are decals that the Sponsors can put in their windows of business recognizing them with the year.

Pavey asked group if we wanted to do any 2011 Events such as: car show, poker run, rib cook off, chili cook off, corn hole, frisbee golf, renaissance day, farmers market or civil war reenactment. Pavey said that St. Mary's is looking to do a chili cook off. It was decided we will have to do that early in June due to the heat. If anyone would like to incorporate any of these events at a concert please let us know.

Media stories this year are to be complete on Monday for publish in Thursday's paper.

Tim Evans will help K. Rathz with a photo gallery for the website next year.

Programs/Republican sponsorship to be coordinated through Marilyn Land next year.

Sharpe shared with the group that the AC unit in the green room needs to be plugged in at all times. It is also a heating unit and needs to always be plugged in per Kirk Wildey at Street Department.

C. Stout invited the group to the Slippery Noodle on Thursday night February 3rd, 2011 to listen to a new band “28 North”. He said the band is really good and wants everyone to hear them for a possible 2012 band. They play from 9 pm to 1 am. Those interested in going get with Charlie.

Merry Christmas and Happy New Year to everyone!

There being no further business, Fussner made a motion to adjourn at 7:51 p.m. Humphrey seconded. Motion carried.

Respectfully submitted:

Executive Amphitheater Committee Member
